

Save Energy, Water, and Money with Energy Star

If you plan to purchase new appliances this holiday season, make sure to look for the ENERGY STAR® logo.

ENERGY STAR® rated appliances use less energy and water than standard appliances.

Plus, Riverside Public Utilities will give you cash back when you purchase qualified ENERGY STAR® refrigerators, dishwashers, and clothes washers.

We even offer rebates for ENERGY STAR® room air conditioners, doors, windows, and programmable thermostats.

To find out more about all of the great rebates we offer, visit www.RiversidePublicUtilites.com or call us at 826-5485.

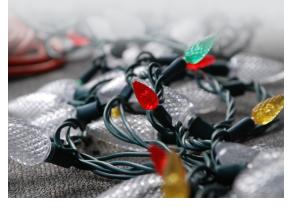

Do You Know...

Each year our SHARE program assists qualified low-income residential customers with their utility bills and deposits. But, we don't do it alone. Your donations allow us to help people in need in your community. To donate, simply fill in the SHARE donation amount on your RPU bill payment stub. It's that easy!

Tips for holiday lighting, at home and at work:

- Use energy-efficient LED lights
- Use timers to turn lights on/off
- Turn off indoor lighting when you go to sleep
